## By Car

You can easily find us by car. From the A10 Motorway, take the Leest exit towards Potsdam. If you are coming from Berlin or Potsdam, follow the signs to Golm. Parking is easily accessible.

## By Train

Arriving by train is uncomplicated and easy; the Golm train station is located in the middle of the Potsdam Science Park. With regional trains RB20 and RB21 you can reach us in only 30 minutes from Berlin Central Station and in a few minutes from Potsdam Central Station. From there all institutes are within walking distance.

## By Bus

Bus lines 605, 606 and X5 run directly from Potsdam Central Station to the Potsdam Science Park. Line 612 runs from the Potsdam city centre to the park. The exact travel times can be found on the Verkehrsbetriebe Berlin-Brandenburg (VBB) website.

## From Berlin-Tegel Airport

From Berlin-Tegel Airport it is best to take the airport bus TXL to the Zoologischer Garten train station. From there you can take the regional train directly to Potsdam-Golm. Alternatively, you can take the S7 S-Bahn line to Potsdam Central Station and transfer to the regional train to Golm.

## From Berlin-Schönefeld Airport

From Berlin-Schönefeld Airport you can reach us directly with the regional train RB22. The journey to Golm station takes only 30 minutes.

## By Bike

In Potsdam, the bicycle is the first choice for many routes. The bicycle-friendly city has a well-developed network of cycle paths that will take you from the main station to the Park in about half an hour. If you arrive without your own bike, you can rent bikes at two Nextbike stations in the Science Park via the free Nextbike app and start cycling. There are special offers for students of the University of Potsdam.
